

The Case of the Missing Cookies

One day, little Bobby was playing in his room.
He was enjoying himself...

...UNTIL...

Little Bobby's
stomach let out a

HUGE

growl

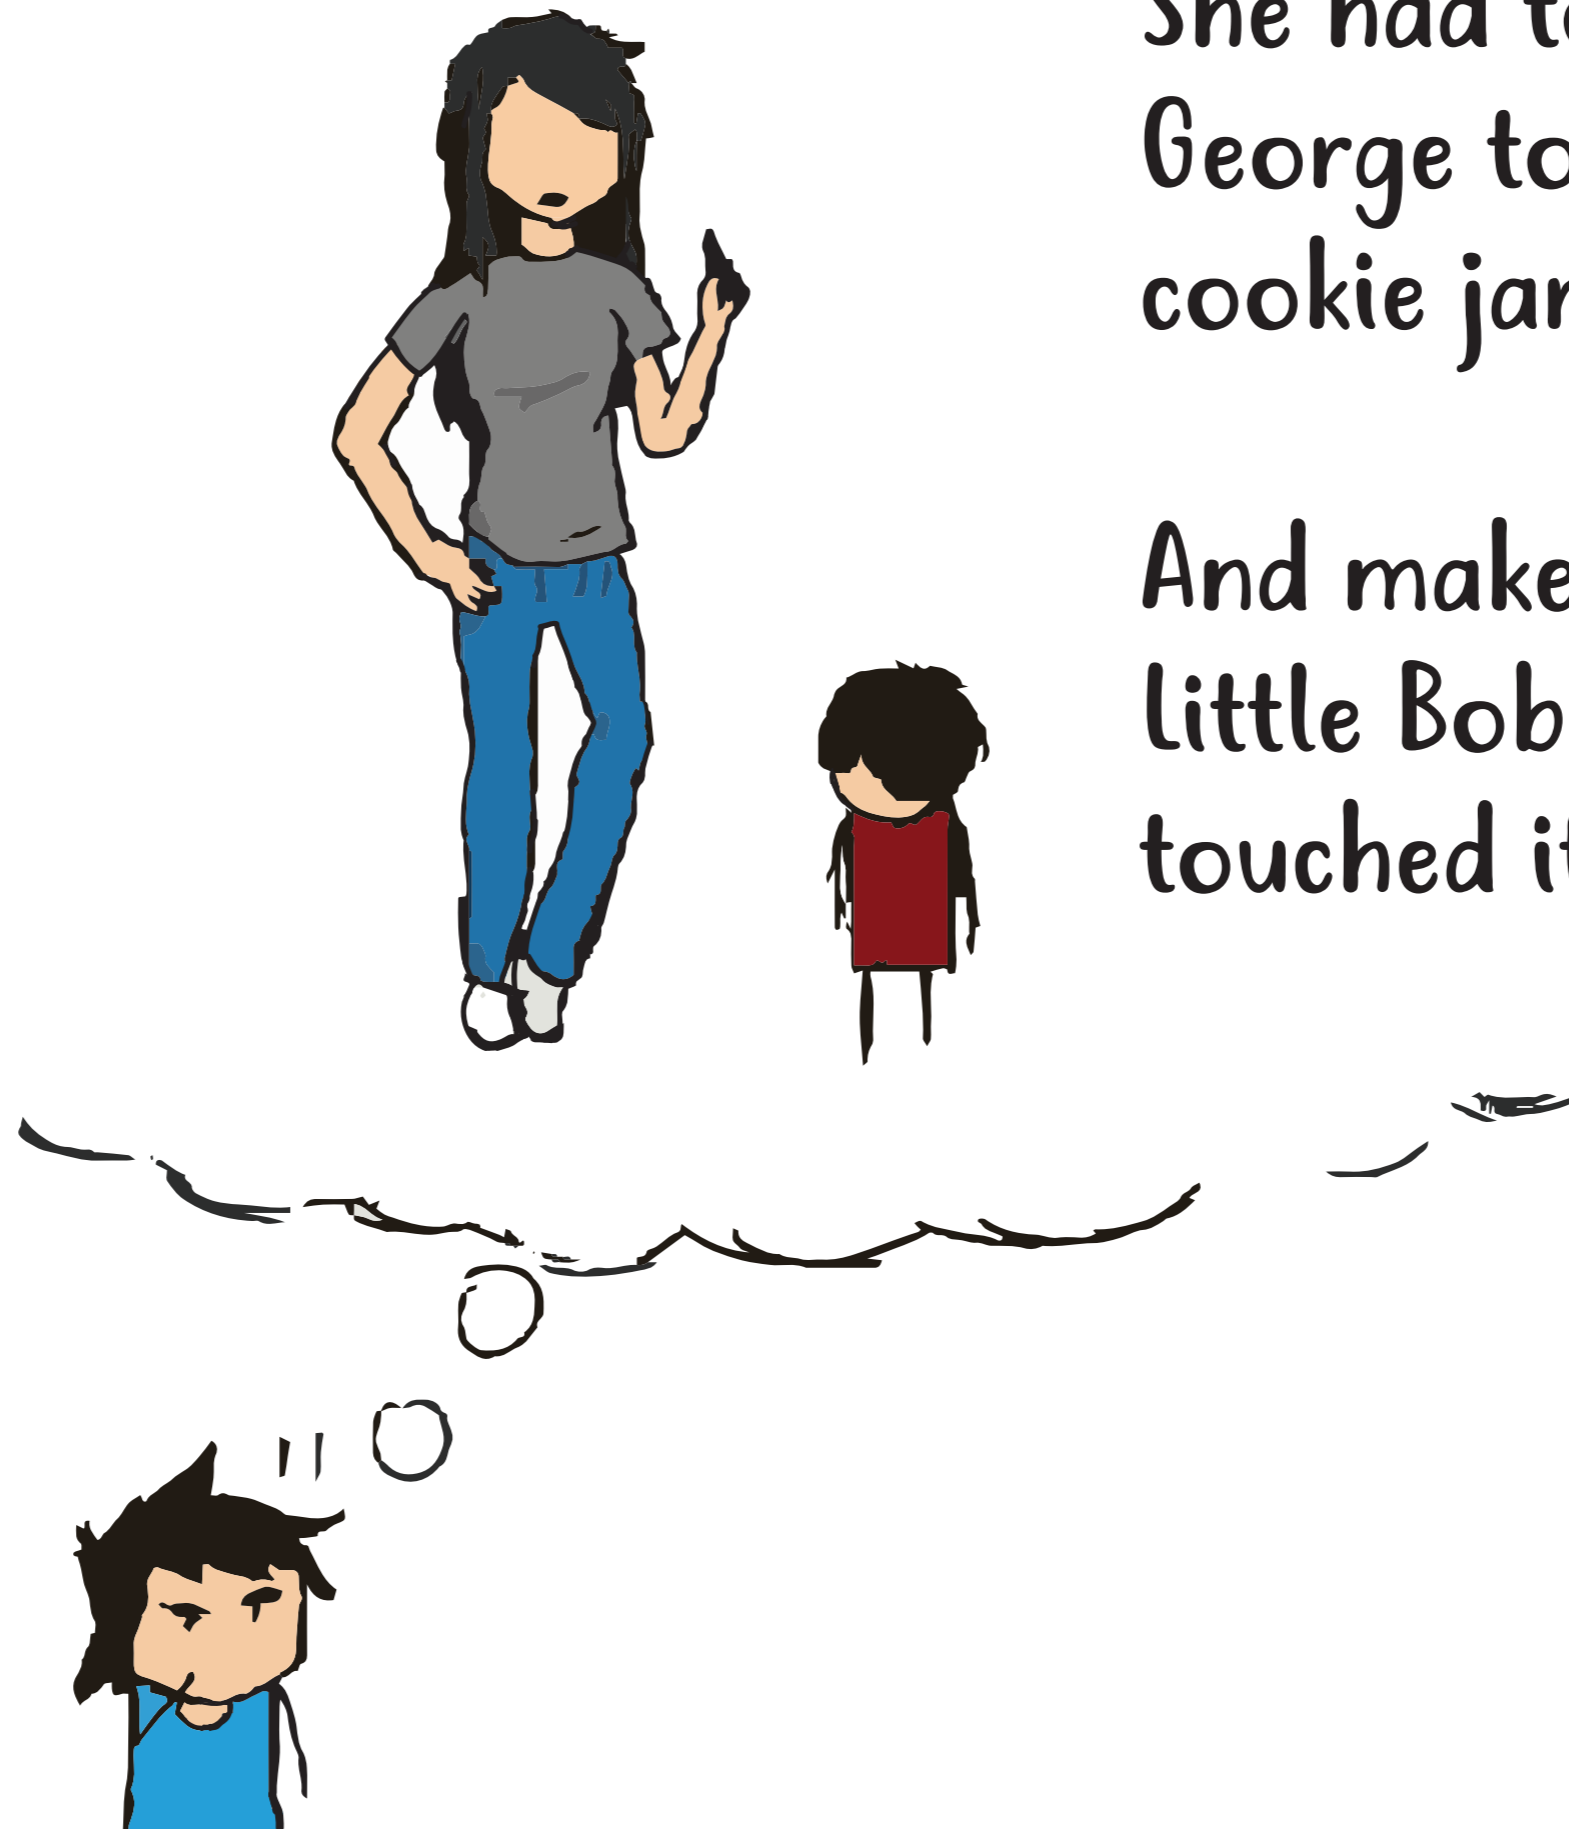

He longed for some
delicious cookies.

But Mother had told him not
to touch the cookie jar.

She had told Brother
George to watch the
cookie jar.

And make sure that
little Bobby never
touched it.

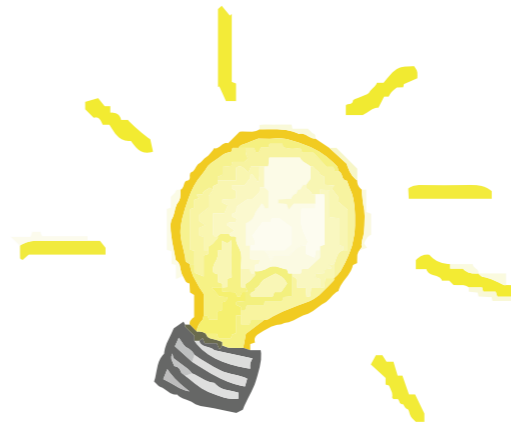

Little Bobby thought and
thought of a way to reach
those cookies.

He schemed and planned
maybe he could be like
Spider-Man...

At last, it came to him. Older brother George was busy playing his games.

He had not finished his chores!

Mother was sure to be mad.

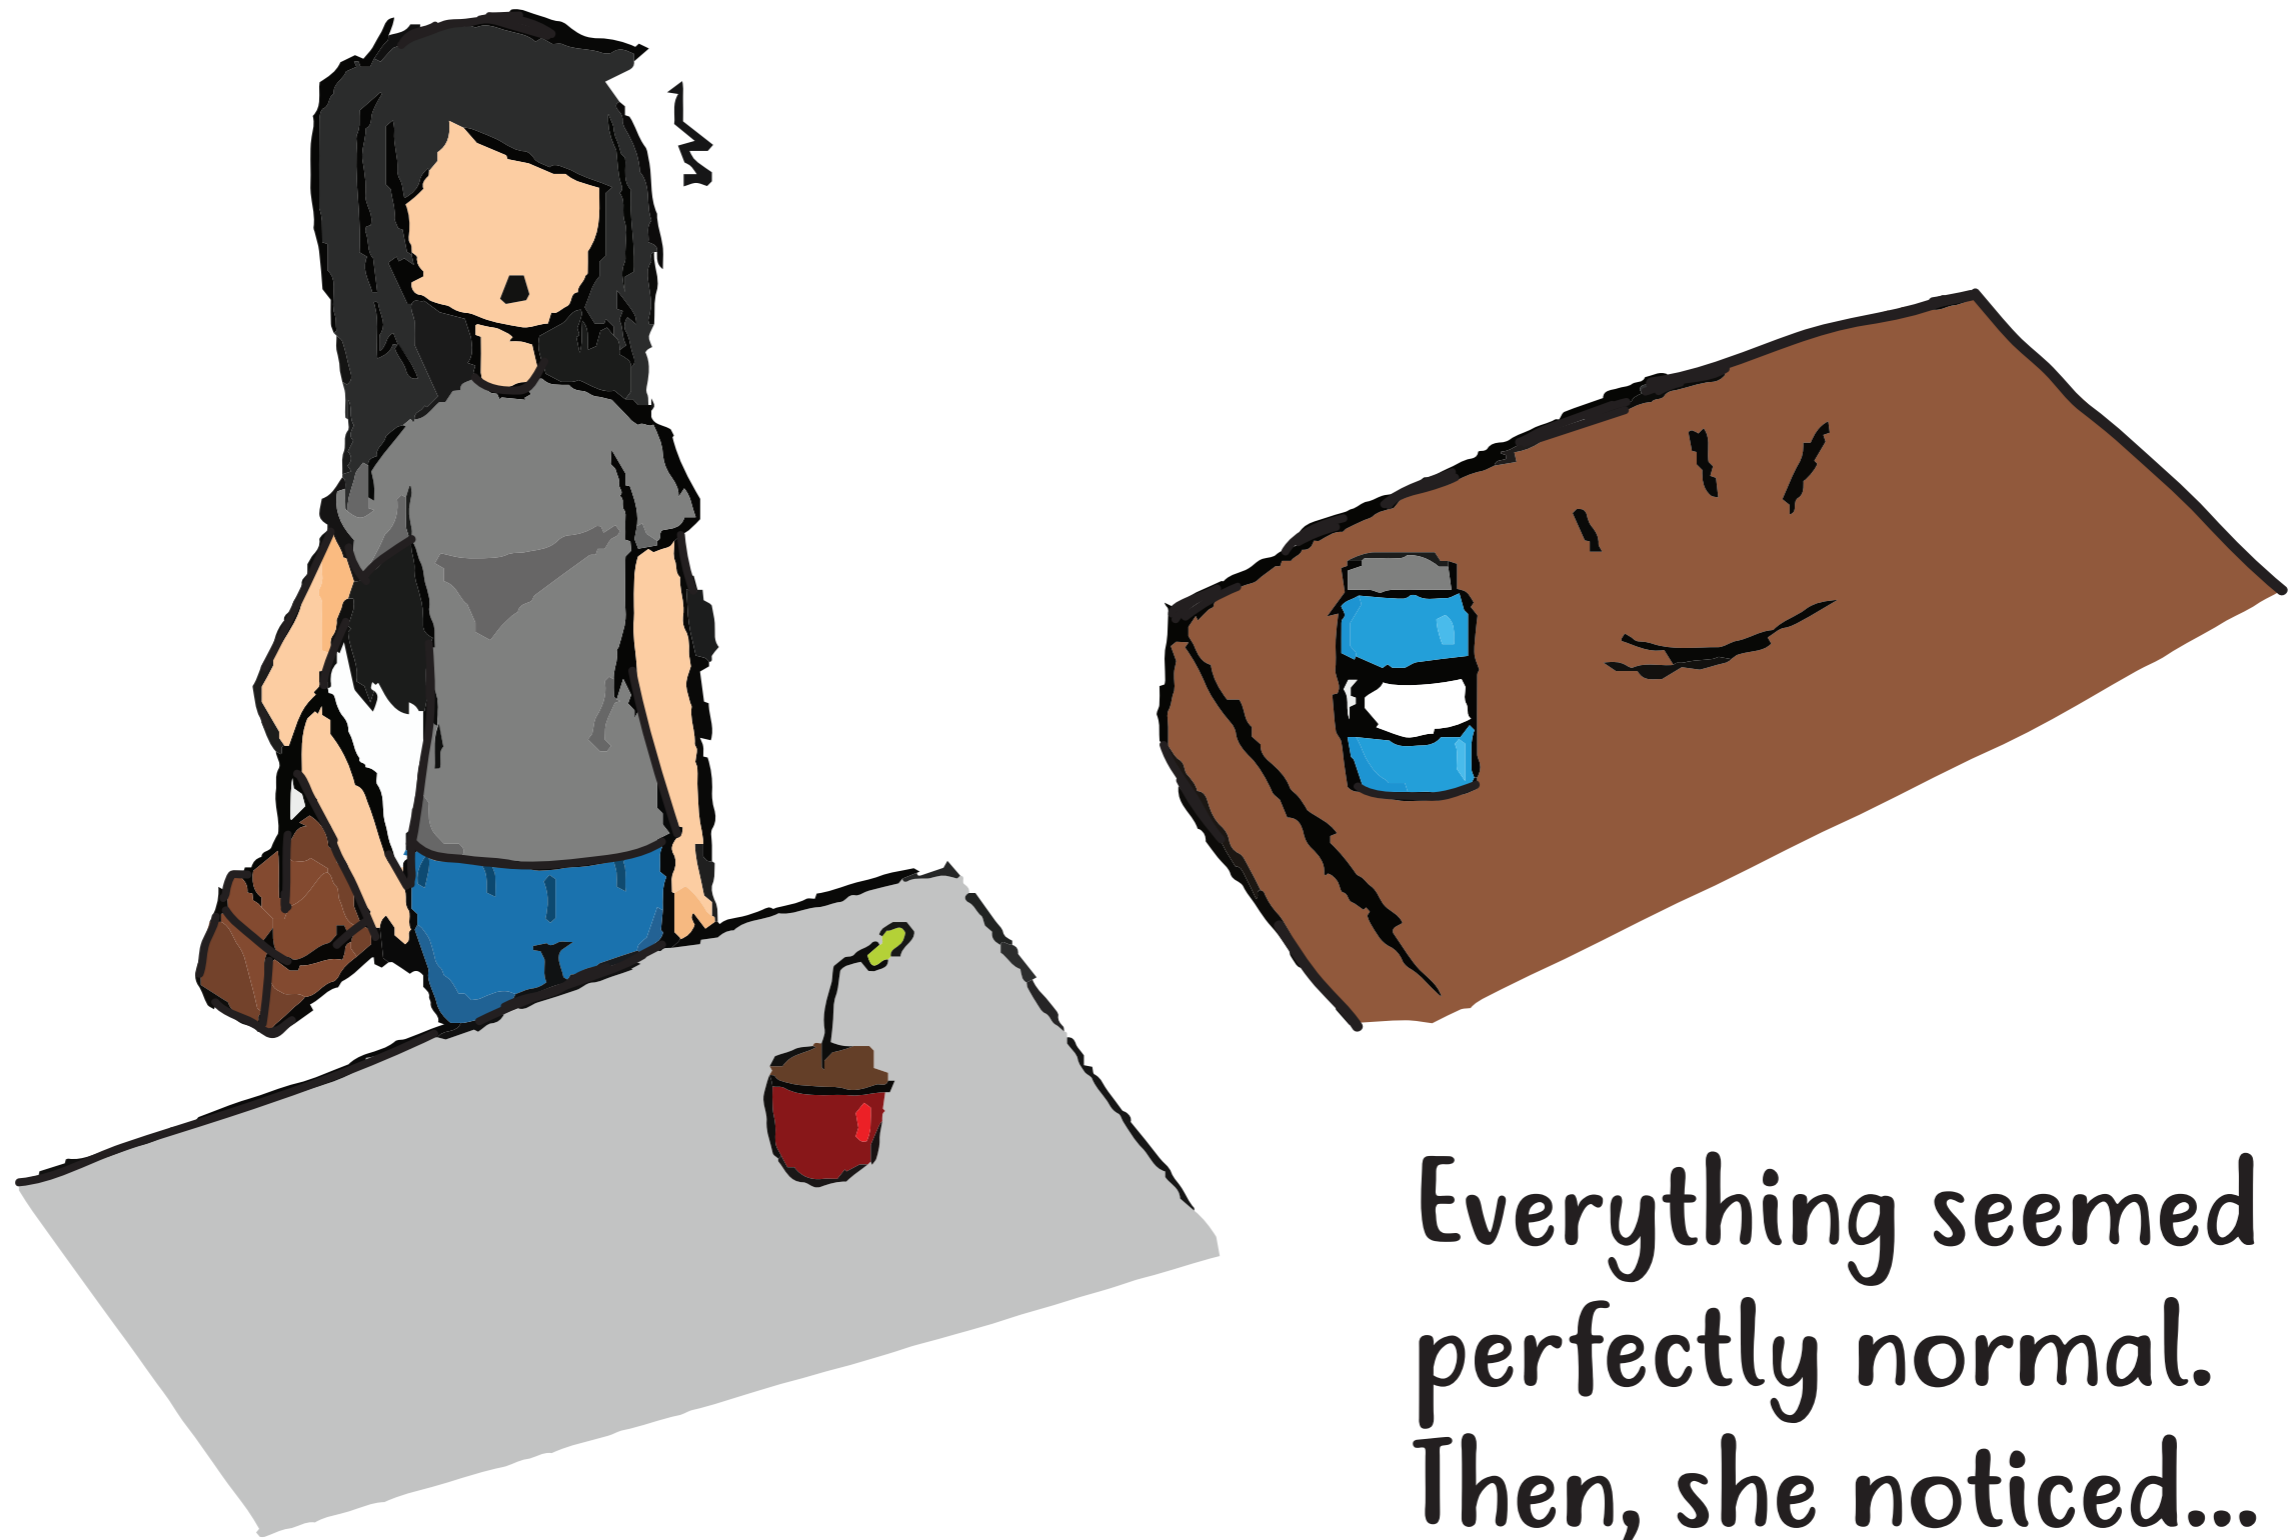

In return for the cookies,
Little Bobby promised
Brother George

That he
would tell
Mother a tale
of Brother
George's
hard work

A click at the door...
Mother had come
home.

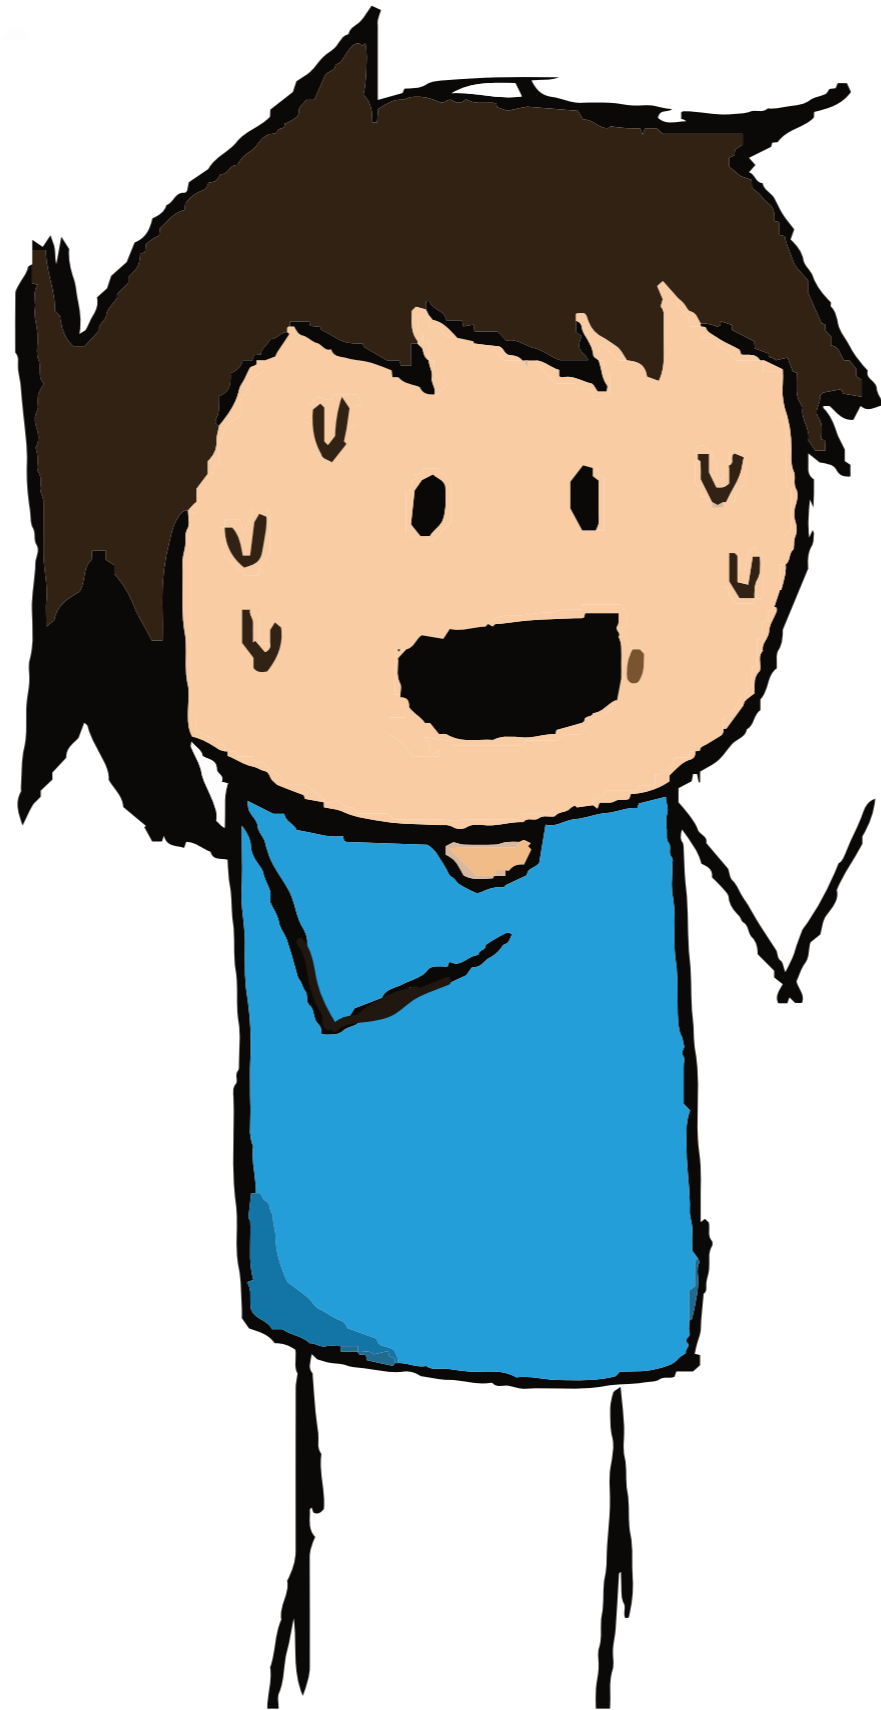

Everything seemed
perfectly normal.
Then, she noticed...

The cookie jar was open.

But Brother George said he had seen nothing, nothing at all.

I have been doing
the chores, he says

Little Bobby holds
his promise, and
tells Mother that
Brother George is
honest.

But the chocolate in
little Bobby's mouth
said everything else

Mother knew
something was
wrong

She decided to call in
the best detective in
town, Kopi Lim

Kopi Lim came
immediately to
investigate

Kopi Lim
immediately
knew something
was off.

He needed to
find clues.
